

**Borough of Milltown Environmental Commission
Partnered by Lawrence Brook Watershed Partnership Inc.**

**Environmental Cleanup of Waterway Areas
of Borough of Milltown
including Bog Brook, Sawmill Brook,
Sucker Brook and Lawrence Brook.**

Saturday, June 27th, 9AM – 12Noon

Rescheduled from June 20th because of Rain.

Milltown Environmental Commission with the Lawrence Brook Watershed Partnership, is organizing an Environmental Cleanup around Borough waterways.

Please join us and help improve our water quality and beautify the Borough. You will be glad you did. Refreshments will be provided.

Meet at Borough Hall, 39 Washington Avenue, Milltown, at 9AM, at the Police Entrance. Please wear clothes which cover legs & arms & stout shoes or boots.

To sign up for this event, for more information, or to volunteer your help, please leave a message at **(732) 249-LBWP (5297)** or call **Alan Godber at (732) 846-4476** or **Michael Shakarjian at (732) 828-3275**.

Directions to Milltown Borough Hall:

From the South Brunswick, North Brunswick and New Brunswick Areas,

Travel to Route 1 and take the Milltown Road exit. (Travelling South this is three exits after Route 18, travelling North take the exit for Milltown Road at the Route 130 junction.) Enter Milltown from Milltown Road, and continue south to North Main street for approximately 3/4 mile to the Millpond traffic light, junction with Washington Ave. (having just crossed Lawrence Brook at Main St. bridge). Turn left (Hess Station on left) and proceed approx. 400 feet to Borough parking lot on left. Meet at the north-west end of the south-west side by the police entrance.

From the South Brunswick and East Brunswick Areas

From South Brunswick take Cranbury Road to Ryders Lane and turn left on Ryders Lane. Proceed as below from Ryders Lane.

From East Brunswick, Route 18, take Rues Lane leading to Ryders Lane. Continue on Ryders Lane to Milltown Road, then turn left. Cross the NJ Turnpike and proceed for approx. 3/4 mile to Washington Ave., where turn right (Hess station on far right of junction). Proceed approx. 400 feet to Borough parking lot on left. Meet at the north-west end of the south-west side by the police entrance.
